We believe the wood choppers will appreciate warm weather again. We can hear axes in all directions.

Before us lies 1918. When America must face such a problem as she has never known before. Have you housewives made the resolution to follow the conservation pledge? Do you have your wheatless and meatless days? We should, as farmers, appreciate staying at home with our loved ones and raise large crops to help feed the faithful boys who stand behind the gun.

### ENDORSED AT HOME

Such Proof as This Should Convince Any Monett Citizen

The public endorsement of a local citizen is the best proof that can be produced. None better, none stronger can be had. When a man comes forward and testifies to his fellow-citizens, addresses his friends and neighbors, you may be sure he is thoroughly convinced or he would not do so. Telling one's experience when it is for the public good is an act of kindness that should be appreciated. The following statement given by a resident of Monett adds one more to the many cases of Home Endorsement which are being published about Doan's Kidney Pills. Read it.

W. A. Winton, Monett, says: "Whenever my kidneys have become disordered, I have noticed backache and lameness so common to sufferers from that trouble. I have used a box of Doan's Kidney Pills and they have always caused my kidneys to act regularly and the lameness and aching has soon left. I advise anyone having kidney trouble to use Doan's Kidney Pills." Price 60c at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mr. Winton had.
